

Action Items & To-Do List for Rifat

1. Live Session & Schedule Overhaul

- ☐ **Cap Live Cohorts to 1 Hour:** Reduce standard live sessions from 2 hours to 60 minutes to maintain focus and beat information overload.
- ☐ **Move Sunday Cohorts to Weekdays:** Shift general community talks to **Tuesday or Thursday at 7:00 PM UK time.**
- ☐ **Implement 10-10-15 Structure:** Test the recommended format: 5–10 min introduction/topic, 10 min live demo, 15 min Q&A.
- ☐ **Limit Cohort Sizes:** Keep interactive group cohorts to 4–5 participants max to ensure everyone can speak.

2. Course & Preset Project Setup (School Platform)

- ☐ **Separate Content Streams:** Keep high-level theoretical lectures completely separate from practical 1-on-1 labs.
- ☐ **Define 3-Tier Project Levels:**
 - ☐  **Foundational Level:** Basic starter setups (e.g., simple clock/utility apps).
 - ☐  **Intermediate Level:** Guided workflow builds (e.g., custom LinkedIn automation, basic Obsidian setup).
 - ☐  **Architect Level:** Enterprise security, multi-agent frameworks, and complex infrastructure.
- ☐ **Add Preconditions & Postconditions:** Publish clear prerequisites (what to install/read before) and outcomes (what will be built after) for every module.

3. VIP 1-on-1 Workshop Setup

- ☐ **Set Up Booking Calendar Slots (7:00 PM – 9:00 PM Weekdays):**
- ☐ **Monday:**  AI Security & Local Admin Protocols
- ☐ **Tuesday:**  Environment & App Setup (Mac/Windows environments)
- ☐ **Friday:**  Human-in-the-Loop (HITL) Workflows

- [] **Grant VIP Access:** Upgrade initial 10 core community members (including Brian and Mariana) to the VIP tier for complimentary 1-on-1 access.
-
- [] **Set 10-Minute Waiting Window:** Implement a strict 10-minute wait policy for booked 1-on-1 sessions before going offline.
-

4. 🗣️ **Platform Marketing & Outreach**

- [] **LinkedIn Promotion:** Post daily updates on LinkedIn reaching your 30,000-person network promoting free cohort access.
-
- [] **WhatsApp Invitations:** Send direct weekly links and agendas to existing WhatsApp contacts.
-
- [] **Fix School Booking Bug:** Resolve the calendar display setting so members can officially book 1-on-1 slots directly on the platform without incurring the \$99/mo webinar upgrade fee.
